

Employment Opportunity

Conservation Corps of Newfoundland and Labrador is a non-profit organization with a mandate to provide young people with meaningful work, training and educational opportunities in the areas of environmental and cultural heritage conservation and enhancement. Conservation Corps is now accepting applications for the following internship position.

Smolt Fence Technician Intern (1 position)

In partnership with the Salmonid Association of Eastern Newfoundland (SAEN) The Intern will assist SAEN researchers in their efforts to reintroduce Atlantic salmon to St. John's via the Rennie's, Virginia and Waterford Rivers. The intern will assist with construction, installation, maintenance and dismantling of a smolt fence, trap and camera system. The Intern will check the fence three times daily, collect and record data and take samples. The Intern will also be responsible for reviewing camera footage, comparing to physical counts and submitting weekly reports to the Department of Fisheries and Oceans.

Candidates for this position should have a demonstrated interest and or education in habitat conservation, restoration and enhancement; strong verbal and interpersonal communication skills; and strong research skills. This position requires the ability for physical exertion to traverse rugged terrain and work in waterways and riparian zones. Candidates must be willing to work in inclement weather and be capable of lifting up to 50 lbs. Valid driver's license and access to own vehicle with appropriate insurance considered an asset. **Position based in St. John's.**

Salary for the above positions is \$13.00 per hour for 35 hours per week for 12 weeks with an anticipated start date of April 4, 2016. CCNL is a youth serving not-for-profit, therefore successful individuals to the above positions must be between the ages of 16 and 30.

Please apply with cover letter, resume and three references. The same application can be used to apply for more than one Intern placement. **Please indicate clearly** in your cover letter which Intern placements you are applying (if applying via email please indicate position in email subject title). For more information on Conservation Corps Newfoundland and Labrador please visit www.ccnl.ca

IMPORTANT: Please make sure to reference job title SAEN Internship 2016 when applying.

Application Deadline is Friday, March 18th, 2016.

Applications should be forwarded to:
